Record all scratches, dents, or damages on the diagrams provided below.

If any new damages are identified, mark them clearly using a different colour pen. Take photographs of the vehicle from all angles (front, rear, both sides, and top if possible) at the time of sign-out and again upon return.

Should a trailer be rented out with the vehicle, inspection should be noted here.

VEHICLE RENTAL TERMS & CONDITIONS - INYATHI SAFARIS AND TOURS

Document Handling - An Inyathi staff member must take a photo of this completed document and post it on their office group. The client / renter / driver must retain the original document and present it upon return of the vehicle.

Responsibility and Inspection - The client / renter / driver remains fully responsible for the vehicle and/or trailer until Inyathi has completed the final inspection upon return. This responsibility remains in effect even if the final inspection is delayed, including (but not limited to) situations where the vehicle is returned to an unattended location or outside of normal operating or inspection hours. If the vehicle is returned after dark or in an unclean condition, the inspection will be conducted on the next business day once sufficient lighting and cleanliness allow for an accurate assessment. Should any additional damage be identified during this inspection, the client will be held liable for the full cost of repairs.

Agreement Confirmation - By signing the inspection sheet, you confirm that you have read, understood, and agreed to the terms and conditions of the rental agreement issued together with the invoice.

Key Damage or Removal - Should the key ring be removed, or if the vehicle key is damaged, a replacement fee of R250 will be invoiced to the client / renter / agent.

Kilometre Allowance The following daily kilometre allowances apply:

- 300 km per day included for local rentals, • 350 km per day included for overland rentals
- Additional kilometres exceeding the daily allowance will be charged as follows:
- R5.50 per km for vehicles with 14 seats or less, • R7.50 per km for vehicles with more than 14 seats

Traffic Fines - Should any traffic fine be incurred on the above vehicle, the client / renter / driver will remain responsible for payment until the fine has been fully settled. The office will issue an invoice once the fine has been received, and a R250 processing fee will be added. Should you prefer to pay the fine directly with the issuing authority, proof of payment must be submitted to the office within 3 days of receiving notification.

Smoking Policy Smoking is strictly prohibited in all vehicles. If there are any signs of smoking, the renter/driver/client will be liable for the cost of a full valet service. The invoice for this service will be emailed directly to you.

By signing this document, you acknowledge and agree to the terms and conditions set out herein.
